Remember Save the Chimps in Your Will or Living Trust

A gift through your will or living trust is a simple but impactful way to support our mission. You can plan your future contribution by giving any amount of cash or a percentage of your estate or a specific property/asset.

Benefits of this gift

- It costs you nothing now and you retain control of the assets during your lifetime.
- You can change the provisions at any time if your circumstances change.
- Your gift can remain anonymous if you choose.
- With this future gift you will be remembered by what you cared about now, leaving a lasting legacy.

How to do this gift

- You designate Save the Chimps as either a primary or a contingent beneficiary in your will or living trust, using the language below, with a dollar amount or a percentage of your estate or a specific asset.
