

POSITION TITLE: Care Technician II

REPORTS TO: Director of Chimpanzee Behavior and Care, Chimpanzee Care Manager, Section Curator

JOB CLASSIFICATION: Full-time Employee/Non-Exempt

LOCATION: On-site Save the Chimps Sanctuary – Fort Pierce, FL

ORGANIZATIONAL MISSION & HISTORY

Save the Chimps (STC) operates the largest privately funded chimpanzee sanctuary in the world. Located on nearly 150 acres on the Treasure Coast of Florida, the Sanctuary provides lifetime care and enrichment for chimpanzees rescued from research laboratories, entertainment, and the pet trade.

Save the Chimps was established in 1997 and is home to over 200 chimpanzees. The work of the organization is accomplished by a nonprofit board of directors, more than 60 full-time employed staff, and a number of community volunteers.

THE OPPORTUNITY

The Care Technician II (CT2) position is responsible for performing highly skilled physical and mentally intensive tasks in the care and well-being of the chimpanzees. A CT2 is assigned to one of five sections within the sanctuary, and works under the direct supervision of the Section Curator. A CT2 is responsible for the safe, compassionate, and efficient operation of the care needs for the chimpanzee groups. A CT2 is responsible for feeding, medicating, and observing the chimpanzees in their assigned sections. A CT2 is also responsible for other husbandry duties such as cleaning, shifting, island access, and enrichment. A CT2 must perform regular observations of the chimpanzees in their section – both while the chimpanzees are inside the building and outside on the island. As such, the CT2 must have a working knowledge of chimpanzee behaviors and be able to respond to disputes by appropriately shifting and separating chimpanzees. A CT2 is responsible for daily record keeping in the digital database (ZIMS). A CT2 is responsible for fostering a safe working environment and the positive mentorship of CT1s in the section. Additionally, CT2s are responsible for providing a safe working environment for the maintenance department to do repairs and oversee all activities concerning the building they are working. CT2s are expected to act as friendly ambassadors of the staff to sanctuary volunteers. CT2s are expected to know and be able to utilize all radio calls. In essence, it is the responsibility of the CT2 to ensure that their assigned section is safe, functional, and clean; and that the chimpanzees are receiving consistent and exemplary care. A CT2 is required to work according to the Philosophy of Care and protocols as outlined in the Save the Chimps *Chimpanzee Care Manual*.

PRIMARY RESPONSIBILITIES

The following is a list of the essential functions of this position. This list is intended to be representative of the tasks performed within the position description, but is not limited to:

- Deliver the prescribed diet to the chimpanzees.
- Maintaining and logging building "side-work".
- Work according to written plans and protocols where they exist.
- Participating in the operant conditioning of the chimpanzees.
- Participating in the care and wellness assessments of individual chimpanzees.
- Participate in regular safety drills.
- Be ready to assist veterinary team when needed during procedures or recoveries from procedures.
- Accurate reporting of all information to all relevant parties (as defined in the *Chimpanzee Care Manual*).
- Uphold and defend the Code of Conduct (as defined in the *Chimpanzee Care Manual*).

KNOWLEDGE AND SKILLS

- Must have a thorough knowledge of and a commitment to Save the Chimps, Inc.'s mission, safety policies and caregiver operations
- Must have the ability to interact with individuals at all levels of the organization, (i.e. management, staff and peers)
- The ability to work as a member of a team and share ideas and thoughts
- Be able to work well under pressure and have the ability to multi-task when required

EDUCATION AND/OR EXPERIENCE

- Associate's or Bachelor's degree preferred
- A minimum of one (1) year experience with captive chimpanzees at Save the Chimps, or three (3) years at other accredited facilities
- Ability to understand and follow written and verbal instructions
- Accuracy and attention to detail
- Ability to perform tasks with accuracy and attention to detail

PHYSICAL REQUIREMENTS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- While performing the duties of this job, the employee is required to: stand for long periods of time; walk; sit; use hands to finger, handle, or feel objects, tools or controls; reach with hands and arms; climb stairs, step stools, ladders; balance; stoop, kneel, crouch or crawl; talk and hear; able to push and pull metal doors. The employee must regularly lift and/or move up to 25 pounds and team lift in

excess of 25 lbs. Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

- Must be able to run and swim in the face of danger.

ENVIRONMENTAL REQUIRMENTS

- Tasks are regularly performed with potential for exposure to adverse conditions, such as toxic/poisonous agents, dirt, dust, pollen, odors, wetness, humidity, rain, temperature and noise extremes, machinery, vibrations, animals/wildlife.
- Employees must not object to unpleasant chimpanzee behaviors include spitting of water or saliva, throwing of feces, food or other waste, and chimpanzee displays that may include banging, kicking of the fencing, and loud screams or hooting.
- Retaliation and/or negativity towards the chimpanzees is not tolerated.

Must be able to pass a pre-hire drug screen. Also due to the safety risk to the chimps, it is an essential function of the position to have received the COVID-19 vaccine along with several others.

Save the Chimps is an equal opportunity employer and considers applicants for all positions without regard to race, color, religion, creed, gender, gender identity, national origin, age, disability, marital or veteran status, sexual orientation, or any other legally protected status.

Interested applicants should send resume and cover letter to: hr@savethechimps.org
